IMPACT of visits to The Model Farm on Sanitation

From the time that KSWA constructed three models of household toilets on The Model Farm as part of the Swatcch Bharat initiative, KSWA has had a stream of visitors to The Model Farm and Training Centre. Village leaders like sarpanches, gram panchayat members, zilla parishad school children visited The Model Farm. Their interests being, understanding and appreciating The Swatcch Bharat Initiatives designed, and developed by KSWA.

The outcome - ten villages constructed a total of 187 household toilets with KSWA's technical support and external donors.

IMPACT of village level training programs and visits to The Model Farm on Yields and Income related to Vegetable Cultivation

Besides training at the village level, the villagers are encouraged to visit The Model Farm to understand and appreciate the different types of vegetable cultivation. Farmers are linked to resources to invest in equipment. Groups in seven villages cultivated a second and third crop based on KSWA,s interventions.

The income earned earned by three groups of farmers is reflected below
